

## BALAGHAT POLYTECHNIC, Ruddha,Ahmedpur

Organizes

### National Network Security Championship 2013-14'

ON

22<sup>th</sup> – 23<sup>th</sup> Sep, 2013

#### THE ORGANISING TEAM

##### CHIEF-COORDINATOR

Mr. Sot S.R. Principal,  
Balaghat Polytechnic

##### COORDINATOR

Mr.Malshedwar L.S.  
(Mobile – 9028698796)

##### CO-COORDINATOR

Mr. Shivpuje N.P.  
(Mobile – 9921618490)

#### INSTITUTE PROFILE

Balaghat Polytechnic Ruddha, Ahmedpur is an institute established by Ganesh Shikshan Prasark Mandal's in the year 2009. The institute is approved by All India council for Technical Education (AICTE) and is affiliated to Maharashtra State Board of Technical Education (MSBTE).The institute is located at Latur-Nanded Road which is a prime location of Ruddha-Ahmedpur . The spacious campus of the institute houses the Main building comprising of the Academic & administrative wings, workshop building & Boy's hostel. At present, the institute is offering three year Diploma course in the following faculties.

- Civil Engineering
- Mechanical Engineering
- Computer Engineering
- Electrical Engineering
- Electronics & Telecommunication

Engineering

The institute has organized zonal level National Network Security Championship 2012-13.

#### INTRODUCTION

With the rapid industrialization and economic growth in the country, there has been enormous increase in the number & size of professional organization which require technical qualified and Confident persons. The purpose of workshop is to provide a forum for presenting and discussing the recent trends in national network security. The focus on productivity has been one of the main concerns of industries worldwide since the early 1990s. To increase productivity, industry has attempted to apply more computerized automation in manufacturing. Amongst the latest technologies to take the industry by storm is network security.

This workshop would bring the students from various fields to a common platform to encourage and share the knowledge of use of this idea in their future career.

#### OBJECTIVES OF THIS WORKSHOP

NSC 2014 is National Network Security Championship and a workshop series jointly being organized by **Association for Computer Machinery - IIT Delhi and Network Bulls**, Gurgaon. All the preliminary rounds will be held at various esteemed engineering institutes across INDIA in present academic year and the grand finale will be organized at **IIT –Delhi** under the banner of NNSC – National Networking Security Championship-2014.NNSC-2014 aims to reach maximum students with the help of college management to deliver the in depth knowledge of technologies used by Cisco which will ultimately benefit students since students have networking in their academic courses, and getting a hands-on Cisco Routers and Switches and the terminologies associated with them will surely benefit students of India.

#### WORKSHOP CONTENTS

We will be providing practical knowledge and awareness about **Real Industrial Networking** so that students can see the role of **Cisco Routers, Switches and Firewalls** at Industrial Level through the two day workshop program.

## SELECTION

The number of participants is limited to 150. The selected participants will be informed by e-mail only on or before **20<sup>th</sup> Sep, 2012**

## PARTICIPATION / ELIGIBILITY

The National Network Security Championship 2013-14 workshop is open to the students of Engineering and Polytechnic Institutes / Colleges.

## REGISTRATION PARTICULARS

The Participants are requested to submit their complete registration form . The **Registration fee is Rs.600/-per participant** (Rs. Six Hundred only)' on or before **20<sup>th</sup> Sep, 2013**.

No T.A. and D.A will be borne by Organizing Institute.

## ACCOMMODATION

Accommodation will be arranged for limited participants on personal request, if they inform on or before **20<sup>th</sup> Sep, 2013** Participants has to not pay the accommodation charges

## IMPORTANT DATES

Registration form along with  
to be sent on or before **20th Sep 2013**

**Announcement of Acceptance 20th Sep 2013**  
(Acceptance will be communicated by e-mail )

## DECLARATION

The information provided is true to the best of my knowledge. If selected, I agree to abide by the rules and regulations of the workshop and shall attend the workshop for the entire duration. I also undertake the responsibility to inform the Coordinator in case, I am unable to attend the workshop.

**Place:**

**Date:**

**Signature of the applicant**

## SPONSORSHIP CERTIFICATE

Mr/Ms.....  
is an student of our institute / Organization and is hereby sponsored to participate in "National Network Security Championship 2013-14 " during 22th – 23th sep, 2013at **Balaghat Polytechnic Ruddha, Ahmedpur**

**Place:**

**Date:**

**Signature of Head of Institute  
(with seal)**

## ADDRESS FOR CORESPONDANCE

**Coordinator,**

**National Network Security  
Championship 2013-14'**

**Department of Computer Engineering,  
Balaghat Polytechnic Ruddha, Ahmedpur  
413515**

**Email :- laxmikant5656@gmail.com**

(Photocopy of this form duly signed by sponsoring / competent authority will be accepted)

Registration fees of Rs. : 600 /-

Accommodation Required: YES \*/ NO

**Event Details** NNSC-2014 is **National Network Security Championship** and a workshop series jointly being organized by **Association for Computer Machinery, IIT-Delhi** and **Network Bulls, Gurgaon**. All the preliminary rounds will be held at various esteemed Engineering institutes across INDIA in present academic year and the grand finale will be organized at **IIT Delhi** under the banner of **NNSC (National Network Security Championship)**. This is a 3 Stage Event as detailed below:

### **Stage 1 (Workshop Round to be held at zonal center)**

A two day hands-on Network Implementation workshop will be held at only **60 Zonal centers** all across India. The details of the Zonal centers and Workshop contents will be available on website for a great promotion of the Institute as a Zonal Center.

All the participants who want to participate in **NNSC - 2014** are required to attend the workshops at any Zonal Center and participate in the competition after the workshop.

The Duration of the Networking workshop will be of 2 Days (7-8 hr each day).

The workshop will be delivered by **Cisco Certified Professionals** working with Network Bulls, Gurgaon.

### **Stage 2 (Zonal-round to be held at zonal center)**

Just after the workshop a Mega Competition of **NNSC-2014** on the basis of two day workshop will be held.

Winners will be awarded Certificate of Merit, and are required to participate in Final Rounds which will be held in the month of January 2014 at **IIT Delhi** in association with **ACM-IIT Delhi**.

Runners up and Winners to receive NNSC Goodies.

### **Stage 3 (Final -round to be held at IIT- Delhi)**

Winners of all 60 Zonal Centers will be competing against each other at **NNSC-2014** in January 2014 in association with **ACM-IIT Delhi**.

**Winner of this Final Round** will win **The National Network Security Champion** title and will be awarded and honored by **ACM-IIT Delhi**.

A Certificate of Excellence will also be awarded to the Winner from **ACM-IIT Delhi**.

Free **Cisco Networking Training** for the runner ups at Network Bulls, Campus.

Chance to work as **Intern** with **Network Bulls Technologies Pvt. Ltd.** (Network Designing and Consultants) on Real Projects of various MNC's.

Prizes worth **Rupees 1, 00,000** which will include Laptops, Tablets will be given to the winner as well as runner ups.
